

Register Experience

Please submit to dan.neville@ondeviceresearch.com within 3 days and then we will arrange a follow up interview.

Sometimes attachments may be rejected. A google drive link or other may be the best option.

Guidelines:

- Aim to spend no more than 2/3 hours
- Provide instructions to run your app
- We are looking at both approach to the problem and technical implementation
- External frameworks and libraries are allowed

User Flow

1. Opens the app
2. Sees a screen explaining about the app
3. Enters mobile number, email and accepts T&Cs to register
4. Enters a code received at their mobile number
5. Opts in to push notifications
